

Комитет за оружане службе Сената САД објавио је на званичној веб страници досије о фискалној 2021. години, документ у ком, између осталог, пише да би САД требало да наставе да подржавају Србију и Косово у историјском споразуму који ће као главни елемент имати међусобно признање, преноси Газета Експрес.

"Комитет сматра да би Сједињене Америчке Државе требало да наставе да подржавају дипломатске напоре Србије и Косова да постигну историјски договор о нормализацији односа уз обострано признање као централни елемент. Такав споразум... повећаће безбедност и стабилност на Западном Балкану", речено је у документу.
